**AN IMPORTANT ANNOUNCEMENT  
about  
SSCM Catholic School**

Dear Parishioners,

I am writing to you today to share exciting news about the future of Catholic Education in Deer Park and the surrounding area.

For nearly 60 years, Ss. Cyril and Methodious Catholic School has played a vital role in forming generations of young Catholics in the Deer Park area. As you may know, over the past decade our school has faced a serious decline in enrollment. This decline has placed continuing financial pressure on our parish. As financial pressure has mounted, the SSCM community has continually impressed me with its ability to come together to support our school. The hard work of our principal, Sister Susan, our business manager, Deacon Phil, and our staff, along with your donations of time, talent, and treasure have

kept our school open, even during the COVID-19 pandemic. I am proud of what we have done together to continue to serve our children.

Throughout the past year, I have worked with the Morning Star Initiative team and the Department of Education to understand what our school needs to thrive and to consider all options in the best interests of the Parish of Ss. Cyril and Methodius. During this time, I have prayed and reflected on the best path forward.

Today, after careful deliberation with the MSI, DOE and our Diocesan leaders, I am excited to share with you the path forward for Catholic elementary education in our parish.

Next year, Ss. Cyril and Methodious will become part of the first Morning Star Pilot School, with a new name: Our Lady of Guadalupe Catholic School of Long Island. You should know that as we have discussed this plan over the last few months, I have been in

awe of how committed the MSI team, the Department of Education, and the Diocese are to investing in our community and helping us grow for a stronger future. I have never had more confidence in the future of Catholic Education in our Region.

In the coming weeks, you will receive more details in Church and in our bulletin about some new investments and changes that will come with this revitalization. The biggest change will be that our school building will transform from a traditional parish school to the Upper School of a multi-campus school, in which the current Our Lady of Providence Regional School in Central Islip will serve as the Lower School. Next year, as it is a transition year, all Ss. Cyril and Methodious students will remain on this campus to allow for renovations and investments to be made in the Our Lady of

Providence building, which eventually will become the campus for Grades 1 to 4. We will continue to host our own Pre-k, Kindergarten and Nursery here. Under a new leadership and governance structure, this new school will provide extended school days, language immersion, strong elective programs, and service learning components. Next year, both schools will move forward as one, under the banner of Our Lady of Guadalupe Catholic School.

As with all new ventures, I have no doubt people may experience uncertainty. I ask for your patience and understanding as the success of this new model will depend on the continued involvement and input from our entire parish community.

# Family Faith Formation and Religious Education

## Weekly Greeting from Ms. Laucella

The joy of Easter continues this week! Although things here are extremely busy, the busyness has been filled with all good things. Last week, virtual instruction was officially wrapped for the year, and this was the first week since October that I did not film my weekly ten lessons for Level-specific instruction. Having all of this work completed is a HUGE milestone for our Program! The last portion of material that we are currently receiving from all of our students and their families is our April Family Project, which we will be sharing with all of you as the weeks get closer!

### Sacrament Season: First Holy Communion

The next milestones that are coming up next for our Program are all things Sacraments! This upcoming Saturday, we have our first two groups of students receiving the Sacrament of First Holy Communion! Please keep these students and their families in your prayers this week, as we celebrate this special day in their lives, and witness them take this momentous step in their faith journey. I am so proud of them!

### FORMED Recommendations

We have some great recommendations for all of you this Easter Season! As I mentioned last week, for this season, I am sharing with all of you ["After The Search"](#) (for the Catholic teaching behind each individual episode of "The Search") and, ["He is Risen!"](#) from the Brother Francis Collection! This week, I also want to be able to add ["FORMED's Daily Reflections"](#), for short, prayerful meditations for each day of the Easter Season, and ["Born In-to the Kingdom"](#) from the Brother Francis Collection, all about the Sacrament of Baptism! Use the QR codes below to take you directly to each video series; Just scan with your phone in the camera app to start watching, and enjoy!
