12th Sunday in Ordinary Time

June 20, 2021

Dear Parishioners,

Thank you to all who supported our two parish events this week. First, the Msgr. Ted Rooney Golf Outing last Thursday, June 17, 2021. Special mention goes to our honorees: Jane Carleo, Anna Ortiz, Cathie Taibi, Kathy Liegey, Carol Tannehill. They are honored for their selfless dedication and service to the Parish. Our special gratitude to Deacon Phil Mills for spearheading this event. The second event is the Maker's Market this Saturday, June 19th. Every event that we host that allows for everyone in the bigger community of Deer Park and North Babylon and beyond is truly something that we must always support and participate in. Hats off to Mike Gonzalez and all volunteers who helped him make this a memorable and fun event that we all badly need especially having been in locked down for many months.

Once again, I encourage you to support the upcoming event: A Banquet in the Inner Garden on July 11th at 5:00pm. It will be an evening like no other. Tickets are limited. You may purchase your tickets at the front desk of the Parish Office. You are not just having an extra-ordinary evening, you are supporting your parish as well.

The parish grounds are noticeably beaming with flowers. This is due to the effort of volunteers who are true stewards of our parish as they gave time, treasure and talent so that all who come to our parish whether for worship or for other matters can get a hint of the beauty that the Parish and the Church truly is from within. Thank you Mary Malerba, Mesaila de Gracia, and Marianne Grimaldi who have labored even in the 90 degree heat of sun so that everyone who comes may be

enlivened by the beauty of our surroundings. For truly, "how can one frown at a flower."

Many people have asked about the parish's policy on masks. As you may have noticed, we have stopped announcing at the beginning of Mass about the proper way of wearing a mask while in Church. It leads to a turn around in what was set in the past as a strict guideline while in Church. As more and more people have received vaccination and infection rate has gone down, we follow the CDC guideline that says you may now, if you are comfortable, not wear a mask while in Church. This weekend, we are also removing the ribbon barriers from the pews. Let us however be sensitive and respectful to those who choose to still wear the mask and maintain social distancing when in Church. Let us be con-

scious that it will take some time for many to become at ease and courageous to not wear a mask in gatherings without being too conscious about it. In addition, the diocese has also issued a new protocol that indicates masks are no longer required for the distribution of communion but are optional.

The lifting of the dispensation for the obligation to attend Sunday and Holy Day Masses will take place on August 15, 2021, The Feast of the Assumption of the Blessed Virgin Mary. We are all encouraged at this time to inspire one another to return to the celebration of Mass with courage and optimism as we prepare to celebrate Our Lady's Feast.

Family Faith Formation and Religious Education

Happy Father's Day!

This weekend, we celebrate Father's Day! Our Program and Parish is full of so many incredible men who sacrifice so much for their families. Your strength and your drive that you exhibit on a daily basis is incredibly admirable and so respected.

Thinking of how Saint Joseph raised Jesus is the first thing that I think of whenever I think of fatherhood. I think of how he supported and loved Jesus, and taught Him the things that he loved to do, especially in the form of his Jewish Faith and also in the form of carpentry. Joseph, the builder of physical things, is the one who built up the Builder of the Kingdom of God; What a true gift of holy, sacred fatherhood!

To all of our fathers, grandfathers, uncles, and godfathers of our Parish Family, and to all of those who have shown us a father's love; Thank you for all that you do, and for supporting and loving your children through the example of Saint Joseph. Happy Father's Day, everyone!

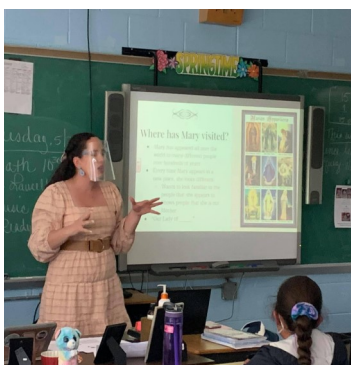

Ss. Cyril and Methodius Catholic School

All of you know that we are very fortunate to have a Parish Catholic School. Ss. Cyril and Methodius Catholic School has been a staple in our community for the last sixty years, and was founded by the Sisters of Saint Joseph. As all of you have heard, we received word mid-April that after this 2020-2021 Academic Year, Ss. Cyril and Methodius Catholic School will be no longer. This week marks the last week that Ss. Cyril and Methodius Catholic School will be open bearing its same name.

Over the last five years, all of you have read my columns in this Bulletin about how much I believe in Catholic Education, as my entire life is a product of it. Our Parish School gave me the start of my life in Catholic Education as a child, and the place where I would find my home as an adult in the workforce. I went from being a student in these classrooms, to being an educator teaching in them. I went from being taught by this faculty and staff, to calling these people my colleagues and my friends. In short, this school, in different phases throughout my life, has always been my home and has always been my family.

I owe Ss. Cyril and Methodius Catholic School the formal Faith Formation that I received at the beginning of my life, which set me on the path of my education to becoming your Family Faith Formation Director. There are so many things that I could say and so many thank yous that I could give, but the number one person that I have to thank is Sister Susan; She is the best person that God could have given me as a fellow admin, as a partner in Catholic Education, and as a friend. Her dedication to this school is immeasurable, and her love for these children that we both share is one of the many things that makes this school such an incredible place to be. She is an icon, she is a leader in true humility and service, and she is someone that I love very dearly and immeasurably respect.

Please pray for all of our students, parents, families, faculty, and staff. Ss. Cyril and Methodius Catholic School is a family spanning multiple generations, and the love for this place runs, and will continue to run, from the people who have made up this School community over the past sixty years and it's deeply rich history; Including this incredibly proud Alumna from the Class of 2006. After all, our School's Motto is "Our School Spirit is the Holy Spirit; Catch it!"; We have all caught it, and we will all keep it.

Society of St. Vincent de Paul - "We Help People"

In today's Gospel, Jesus calms the sea and then asks the disciples "Why are you lacking in faith?" In our life's journey, we also must learn to believe in God's presence and to trust in his care. In our life's journey, we must also discern what is most important. As St. Teresa of Calcutta said: "At the end of life we will not be judged by how many diplomas we have received, how much money we have made, how many great things we have done. We will be judged by I was hungry, and you gave me something to eat, I was naked and you clothed me. I was homeless, and you took me in."

Director of Parish Social Ministry

I have important requests for needs of our clients. Before I ask this I want to prefacis this by saying this is not going to be a forum for anyone seeking to put their items or requests in the bulletin. These are needs that I have an obligation to help with as the director of parish ministry.

If anyone knows of a one or two bedroom apartment that may be available in the near future please reach out to me. This is for three adults. A couple and their adult son. The wife has cancer and is undergoing chemotherapy. They are currently in a shelter in Wading River. However, her doctors are here in Deer Park and before they lost their home were residents of Deer Park. It is very difficult for them to keep traveling here for her appointments as she is quite ill. The most they can pay is \$1600/mo.

My second request is for a young couple that is pregnant and homeless. They are in need of a one bedroom or even a studio apartment for up to \$1000/mo.

Housing is very hard to come by in the present environment.

As you know I am looking for 2 commercial refrigerators to accommodate the growing number of refrigerated items that you are providing to the pantry.

Right now I am also in need of two grocery carts with wheels for our clients who walk to the pantry. These are the type of carts you generally see city dwellers use.

I also need at least two people who have the time to visit with elderly clients. These would be companion visits and not aides. They are just lonely and need some company.

I am also seeking people who may have time to deliver food to people who are no longer able to get to the pantry.

If you would be kind enough to pass these requests along to the community I would be very grateful.

May God bless you abundantly for all you do for the less fortunate.

Janet

Every day, people in our community are helped because of support from funds raised through the Catholic Ministries Appeal.

Today, consider a Dad like James. James saw information about the Catholic Ministries Appeal at his local parish, and he knew he had to turn to the Church for help since he had nowhere else to go. James had been gainfully employed for more than 10 years when he began to fall ill. Soon his medical issues made it impossible for him to keep working and he was forced to go out on disability.

After paying the co-pays on his medications, his family's rent and utilities bills, James had very little left to purchase food and other necessities for his family.

It was hard for him to ask for help, but with nowhere else to turn, he did. Catholic Charities found him a specialist who assessed the family's needs and directed them to appropriate resources in their community. He went to his Parish Outreach, where his family received food that allowed them to make it through the month. James and his family received the help they so desperately needed.

Today, James is back to work and the family is doing well. *"I am so thankful that I know there is somewhere I can turn, where there are people that care, people I can talk to, if I am ever in such a situation again,"* shared James.

Please consider donating to the Appeal and making a difference in the lives of others.
