## 19th Sunday in Ordinary Time

August 7, 2022

Dear parishioners,

Hello and I hope you are having a blessed day. I was very pleased and humbled when Father Gius asked me to write this week's bulletin letter.

During the last month of July, there truly seemed to be a recurring message in all of the Sunday gospel readings that were meant to inspire us and our understanding of the responsibility that each of us shares in the role of social ministry, whether it was referring to the 72 who relied on the generosity of others or the Good Samaritan who served the needs of the victim along the road. We heard that we need to love our neighbor as ourselves and if our neighbor calls upon us, we need to respond. These are examples Christ taught us about His outreach as He went to those who were on the fringe of society and He ministered to those who were forgotten or ignored.

His motivation was simply love.

The question that usually arises when deciding about this calling is what can I do? Thankfully, the hardest part is over because the decision to do something has been made and you are ready to answer the call and thankfully there are many ways to get involved, but at Ss. Cyril and Methodius each week, our bulletin has a list of things that our food pantry is in low supply of. People from "Our" community relies on your generosity as they are trying to feed their families. Take the time to look at that list and drop some things in one of the pails near the entrances of the church and make it an ongoing effort.

Another way of answering the call is by coming down to one of the St. Vincent de Paul meetings, which typically happens on the first Wednesday and third Monday of each month in the Senior room near the gym. The meetings

## On Society of Vincent de Paul

...from cover page

start usually at 7:30, but most members arrive around 7:15 for fellowship. The group is based on friendship, spirituality and the importance of service and outreach to members of "Our" community who are reaching out to us because they have a real need; a need that our conference may be able to help them with through the donations of others. You can do as much or as little as you want in the group, but for those who go on home visits, they feel the real impact of what it means to be the good Samaritan because without the assistance of St. Vincent de Paul, the situations of these families will go from bad to worse. Come down and give the group a try if you are looking for a concrete way to put your love into action. Watch the bulletin for details on

upcoming meetings. You will be welcomed with open arms.

In the end, when you make the decision to serve others via social ministry, you will find that you received way more than the effort you put into it and therein lies the grace of Christ coming back to you because as we find in Matthew 25:40, "whatever you did for one of these least brothers of mine, you did for me" and that is how we can live out the gospel in a genuine way, changing someone else's life and bringing ourselves closer to Christ.

God Bless!

Deacon Bill Sperl

## Weekly Greeting from Ms. Laucella

We are currently busy preparing for our 2022-2023 Academic Year! Please be sure to keep our Office in your prayers! Even though our Office is closed to the general public during this time for in-person visitors, we have a lot happening this summer behind the scenes!

## Registration for 2022-2023

Registration for the 2022-2023 Academic Year is officially **OPEN** as of Thursday, June 30th! Registration is **for all new and returning families**, and families do have to register their students year by year so that we can plan accordingly. All of our current families who were enrolled with us for the 2021-2022 year have already received their Registration Forms via email. If you are a family new to our Program, or are looking to transfer into our Program from another Parish, be sure to **check out our Registration Page in this Bulletin**; **All QR codes forms for all current, new, and transfer families are available for you, along with instructions on how to register!**

All of this traveling is making Flat Jesus hungry! After his time in **St. Peter's Square, in Vatican City** with the Arrascue Family, Flat Jesus made His way back to New York. He was still craving some Italian food, so He joined the Knights of Columbus and the Our Lady of the Rosary Columbiettes for Mass and their luncheon at Goccia D'oro III! Flat Jesus had a great time and loved making new friends!

Have you done something fun with Flat Jesus this summer? Make sure to tell us using the QR code below so that we can share His summer adventures with everyone!

## How to Access Registration Forms & Program Information:

- Find which category your family falls into by reading each description below
- Follow the set of directions that applies for your family to access the corresponding Registration Forms via the below QR codes

### Current, Active Families:

These families had their students enrolled with us in Family Faith Formation for the 2021-2022 Academic Year. For these families, please remember that **Registration will only be processed if all 10 Mass Reports from the 2021-2022 Year have been handed in and completed.**

These families can access their particular Registration Form via this QR Code.

### New, First-Time Students and/or Families:

New families are families with students who have never been enrolled in any Faith Formation Program before. These new families require a copy of the child's Baptismal Certificate and other Sacrament Information in order for our Office to process Registration for their child. If you are one of these families and would like to be put on our potential incoming students email chain, please email us. These families can access their particular Registration Form via this QR Code.

### Transfer Students and/or Families:

Transfer families are families that were not enrolled in our 2021-2022 Program, but have been enrolled in another Parish's Faith Formation Program before. These families can be:

If you are one of these families and would like to be put on our potential incoming students email chain, please email us. These families can access their particular Registration Form via this QR Code.

## Registration Disclaimer:

We are very fortunate to have a thriving Family Faith Formation Program. The Catholic School and our Program have to work around each other's schedules to share the building and its classrooms. Certain Levels or days may fill up quicker, depending on the space available to us. For this reason, **those who mail back their Registration Forms to us sooner will be given first priority for the availability of having an in-person session.** Please know that we will do our best to work with everyone as best as we can, based on what we have available.

Our Family Faith Formation Program is one of the largest in our Diocese, and we are happy to serve all of our hundreds of families. We all have to work together to ensure that our Office can have all materials prepared for our families in time for the start of our year. For this reason, **Registration Form links will time out on Thursday, September 1st.** Be sure to mail in your Registration Forms before this date if you would like to enroll with us for this 2022-2023 Academic Year.

## **SOCIETY OF ST. VINCENT DE PAUL - "We Help People"**

In the Gospel today, Jesus says "Sell your belongings and give alms. Provide money bags for yourselves that do not wear out, an inexhaustible treasure in heaven that no thief can reach nor moth destroy." Your support of the Society of St. Vincent de Paul can help you build "inexhaustible treasure in heaven." This year, it seems like the summer is passing in the blink of an eye. Already we can see the back to school ads on television and before you know it, we will be seeing ads for the Holiday Season. If you shop on line, then please consider using Amazon Smile. This is an easy way to support our Parish conference of the Society of St. Vincent de Paul, as Amazon will donate 0.5% of qualifying purchases to our conference. In turn, we use these funds to assist our neighbors in need. Just follow these easy steps to participate:

1. Go to smile.amazon.com to sign up;
2. enter the "Central Council of the Society of St. Vincent de Paul" as the charity that you want to support;
3. and then, under that, please be sure to select "Deer Park" as the location.

Our next meeting will be held on August 17, 2022 at 7:30 pm in the Senior Room. All are welcome to attend and see what it is that we do.

If you or someone you know is in need of assistance in addressing rent, utilities or other crucial bill arrears, or needs assistance with furniture, clothing or dental needs, please email us at [sscmstvincentdepaul@gmail.com](mailto:sscmstvincentdepaul@gmail.com) or call us at (631) 667-4044 ext.175.

# Director of Parish Social Ministry

Well, this week I am going to address the elephant in the room. That is if you are not part of the solution you are part of the problem. I have gotten a great deal of positive feedback from last weeks letter. To be sure I have heard grumblings. Of course, none of them called me or spoke to me face to face, which I encourage every single week in the bulletin. No, instead people speak among themselves behind the proverbial back. This is disingenuous. You may not even know that I was around and heard you. Honestly, you can just come to me and discuss.

The thing about reading something is that you have no way of knowing what the tone is of the item being read. Many assumptions can be made that may not be reality. I did receive a disturbing email accusing me of being angry because "my ideas" did not bring forth enough volunteers. One, I am not angry, two they were not my ideas, but ideas brought to me. Telling me that you have gone to Mass every week of your life means what exactly? This is what we are called to do. Veiled references to monetary support of the parish, taken as "I pay your salary" mentality is hurtful. Saying you make weekly donations to the food pantry that is something else we are called to do, take care of the poor.

Absolutely no concrete suggestions were made as to how to build community. Neither did this person volunteer. I am saying please talk to me. Don't send angry emails if there is something you disagree with. I am not going to respond to emails of this kind because it can never be resolved through that kind of dialog. This is not "constructive" criticism it is just criticism. The point that I am "preaching to the choir" means you missed the entire point. Whatever you read in the bulletin either by me, the pastor or anyone else is meant to be taken from the bulletin and brought out to the greater community to let them know we are here and would love to have them join us. Spreading the "Good News"

Cliques was the only thing from the letter that was addressed face to face. Some people have come to me face to face about the clique comment. That I appreciate. None of these people objected to anything else written although of course the opportunity was there. We had a chance to talk about it. My point is that cliques do exist. They are by and large not even intentional. Many people don't realize that they are being viewed as cliques and therefore people don't feel welcomed. Usually this comes about because the "cliques" have been relying on a small group to get things done. When someone new comes in we must make a concerted effort to welcome them. Listen I am not saying it is easy all I am saying is try to be more aware. It isn't that people are being turned away with an attitude of we don't need or want you, we do not do that. Instead, if they don't feel very welcomed and a "we are so glad you could join us" doesn't happen they may feel unsure if they should be there. All of this is being said so that all of us should be aware of how our different ministries are being viewed by others. Getting the job done is important. So, to those who would like to become a part of something go volunteer. I promise they really do want you to be a part of their community within a community.

To all the people who do so much for the Parish I do thank you and I have said many times that Ss Cyril and Methodius is a very generous parish. There are many many volunteers here who do things that you may not even realize are being done. Everyone has busy lives, I know that. However, when we want to we always make time for the things we want to do. Sometimes we must look at things we may feel uncomfortable doing, or really don't want to do as making a sacrifice for our Lord. When we put things in context of serving the Lord things become easier to do and hearts become lighter.

Please take this letter in the spirit it was written with great love for our Lord and for the people here. Again, I say I am approachable, and my door is always open to one and all.

God bless you,

*Janet*

2. Coffee (1 lb cans)
3. Canned vegetables (except green beans)
4. Tuna fish
5. Beef stew
6. Pasta sauce
7. Progresso soup (the ones you add water to are not nutritious enough to be a meal)
8. Campbells chunky soup
9. Chili with beans
10. Chili without beans
11. Kidney beans
12. Black Beans

### NON FOOD ITEMS

1. Toilet Paper

### **Gift cards are always welcome.**

The most beneficial gift cards are from Aldi and Lidl as well as the Dollar Tree and gas cards. It is getting increasingly difficult to keep up with the need. New families are signing up every week. How they manage on the little financial support they have is a mystery to me.

Thank you as always for your generosity in taking care of the poor! May God bless you all abundantly for your love of the poor.

One of the main areas of focus that SSCM Social Services would like to concentrate on is Mental Health. The mental health crisis in our community becomes increasingly obvious each day. It affects each of us in some way...whether it be ourselves or a loved one. We want to share some valuable resources that are available. We recently had the pleasure to meet with Councilman Martinez to discuss our concerns and explore options available through the Town of Babylon. While complete information can be found on the town website, here is a brief synopsis of some of the programs. Locations and contact information are available in the Parish Social Ministry Office. Town of Babylon has nine Youth Centers. Youth Bureau coordinates agencies that provide various services.

1. **Mental Health Counseling Services**
2. **Project Safe** – crisis intervention in runaway cases
3. **Summer activities**
4. **Parenting Skills**
5. **Social Skills**
6. **The Bridge Program** – introduces social skills groups for children on the autism spectrum, in addition to parent and sibling support groups
7. **Youth Court volunteer opportunities** Beacon Family Wellness Center – provides a wide range of services to family members impacted by their loved one's disease of addiction as well as those suffering from substance abuse disorder. Wyandanch Community Resource Center (WCRC) provides a vast array of resources and referrals.
8. **Crisis Management and Prevention**
9. **Family development**
10. **Small Business development**
11. **Youth development**
12. **Alternative Education**
