FROM THE PASTOR

On the Feast of the Most Holy Body and Blood of Christ, a few reminders on the proper reception of the Eucharist at communion.

While waiting for the person in front of you to receive, recollect yourself for a moment and before stepping up when it is your turn, bow your head as a gesture of adoration.

Communion in the hand and directly on the tongue are the two forms allowed in the United States by decision of the American Bishops. If one is receiving in the hand: upon approaching the minister of the Host extend the hands in the middle of the chest. The left hand is extended, with the right hand under the left in support (left handed persons may wish to place the left hand under the right). In essence, a throne is formed in the sign of an X-

cross to receive the Sacred Host. The response of "Amen" is given to the proclamation "The Body of Christ," and the sacred Host is received. The individual should then step to the side and receive the Host carefully and reverently. It is unseemly to "pop" the Host into the mouth as one walks away. Remember "Who" you are receiving! Please note that it is never acceptable to put out only one hand due to the danger of dropping the host. Those who do not have the easy use of both hands (or whose hands are not perfectly clean for whatever reason) should receive on the tongue.

If by accident you drop the Body of Christ, you may choose to pick it up and consume it. If not, please do not dispose of it yourself. Pick it up and reverently hand it back to the Communion minister who will know how to dispose of it properly.

This week, we celebrate the Feast of Corpus Christi! The Feast of Corpus Christi honors the Real, True Presence of the Body of Jesus Christ in the Eucharist. Learn More, Be Informed

“Holding fast the faithful word which is in accordance with the teaching, so that he will be able both to exhort in sound doctrine and to refute those who contradict.” -Tit. 1:9

We must be knowledgeable on all life topics, keep informed on legislative issues, and learn how our Catholic moral teaching is applied to matters of daily living especially in the biological sciences and healthcare, i.e. bioethics.

As Father's Day is approaching let's reflect on the Importance of the role of Father's in the family."

PROTECT THE DIGNITY OF WOMAN

As Joseph refused to expose Mary to shame so too we will become successful fathers by becoming guardians of the dignity and value of woman.

From the beginning of creation, the human father has been endowed with the distinct character of authority and the role of leader, regardless of whether he is the least qualified member of his family and regardless of what our broken world and its fallen prince would have him believe. Consider that St. Joseph was the "least perfect" member of the Holy Family, and yet the Church in her litany of praise to this exemplar father hails him as "Head of the Holy Family." Indeed, God does not call the qualified, but rather qualifies the called. The human father, in his essence, has nothing of which to be ashamed. To be ashamed of his God-given authority, the human father would have to be ashamed of the God Who imparted that authority to him.

The human father assumes his charitable authority by protecting, providing for and teaching his family. *By protecting, providing and teaching, the human father is loving by leading and leading by loving. If the human father chooses not to protect, provide for and teach his family, he is actually choosing not to love his family, and not to lead his family to Love.*

By protecting, providing for and teaching, the human father authors the story of God's fatherly love in his family's life.

LITURGY CORNER

What is Liturgy?

Liturgy is something that the whole Body of Christ celebrates together. Jesus, the one true High Priest, together with His Body, the Church in heaven and here on earth (all of us!).

While the Holy Mass is what we usually think of when we hear the word "liturgy," any public communal prayer event of the Church is liturgical. This includes the various rites the Church celebrates outside of the Holy Mass, including the Liturgy of the Hours, Baptisms and Wedding ceremonies, to name a few.

We all "do" liturgy together, with one another and with Jesus Christ present in and among us, as one body.

The crowning jewel of Catholic liturgy is the celebration of the Holy Eucharist, where Jesus becomes present to us in the Sacred Host. Body, Blood, Soul and Divinity. What a glorious gift indeed!

Parish Social Ministry

As many of you are aware we are signing up new families every week. These are our neighbors, friends, and families. Many times, we do not realize they are the people next door or across the street. No one wants to be in a situation where they cannot provide food and basic needs of living for their family.

These are primarily families in Deer Park and North Babylon. Almost all of our families are long-time residents of the area. Very few of our families are new to the area.

As school is ending please keep in mind the programs that provide breakfast and lunch are also drawing to a close. Anything you can do to help feed our children and their parents and grandparents is greatly appreciated. The items listed below are listed with the items of most need first.

We have a neighbor who needs someone to seed their lawn and spray it. They have the product but are unable to take care of things themselves. They will also need someone to mow the lawn as well. Are there any young people in the Parish that would like to have a service project or would just like to help a neighbor? If you can help please call me. Unfortunately, not everyone has family that can help them. I know they are very appreciative of any help they receive.

As always gift cards are greatly appreciated as well. Thank you for your generosity week after week. We cannot do this without you.

God Bless and have a wonderful week!

Last year, the Church embarked upon a three-year initiative called the Eucharistic Revival. This Revival is meant to bring clergy and laypeople together to fully understand and experience the loving, healing nature of Christ present in the Eucharist. Noticing the crises, strife and hurt that are so present in our country today, the Church realized that we are all in need of Jesus' healing power and love that we can find in our Eucharistic Lord. Finally, one of the biggest issues facing our church is the lack of belief among Catholics regarding the Real Presence of Jesus in the Eucharist.

I am writing this letter to you today because while we, as a parish, dive into this Eucharistic Revival, we can help ensure that future generations will still be burning with love for Our Lord in the Eucharist. One way we can do this is by making a gift to the Catholic Ministries Appeal. When you give to the CMA, you help provide opportunities for the youth and young adults of our Diocese to get to know Jesus more fully. Think about this—on the grounds of secular universities, such as Hofstra, Mass is being said for Catholic students and they are witnessing Christ come to them in the Eucharist.

"The young people that are here and participating in Campus Ministry are on fire and they so deeply desire to know Christ and to follow Him. And so just have that hope and pray that young people are seeking truth and are open to finding that- because they will find it here in the Church."

– Gina, Catholic Campus Minister

The Catholic Ministries Appeal also helps pay for the education of the seminarians studying today. Our Church needs these brave, faith-filled men for generations to come so that they may say Mass continually and we can see Jesus alive in the Eucharist.

Please know that I thank you most sincerely for your consideration of this special request to make a gift to the 2023 Catholic Ministries Appeal. Please know that no gift is too small, and every gift makes a difference in the lives of our young people - the now and the future of our Catholic Church.

Please make check payable to the **Catholic Ministries Appeal**

WON'T YOU BE MY NEIGHBOR

Our *Reach Out* committee of 5 has been slowly contacting our parishioners to update our records and see what needs they have. We can use more help in making these calls. See below on how to volunteer.

We have had requests for receiving the bulletin at home and also a friendly visit to those who can't get out. Won't you be a *neighbor* and drop off a bulletin to someone in your *neighborhood* on the way home from church.

Can you spare a bit of time to stop in and visit a *neighbor*, it would be so welcome.
