

14th Sunday in Ordinary Time

July 9, 2023

What word comes to your mind when you think of summer?

High on the list is probably “heat” and whether that is good or bad depends on where you come down on the thermostat wars. If you are like Bishop Anthony B. Taylor, then the warmer the better.

Vacation is when we hope our thoughts will be less occupied with what causes stress, and more focused on what we treasure most.

Another word high on most lists is “vacation.” For those who live by school schedules, summer means time off and chances to get away somewhere. We look forward to things slowing down a bit.

The word itself has the Latin root, “vacare,” which means to be unoccupied. That can have the literal meaning such as when we vacate a building, but there is the deeper meaning that allows vacation to be a time of renewal.

Vacation is when we hope our thoughts will be less occupied with what causes stress, and more focused on what we treasure most.

It is crucial for renewal to take stock of what is most important, to slow down and look around and to soak in the love of family and friends. Of course, God understands this basic need that we have. When God commands a day of rest every week he has our good in mind. Sabbath is a word that means rest and reveals that God wants us to have a vacation every week.

The best vacations allow some time for reflection and an exercise in gratitude. St. Matthew tells us that where our treasure is we will find our heart. How about a little homework for the summer? A mental exercise can help us take better advantage of our vacation.

Make some time to sit with your thoughts. Pay attention to where your mind

FROM THE PASTOR

goes when it is unoccupied. Discover what your treasure is by following those thoughts. How long does it take before God enters the picture? Where is faith among your values? The unoccupied mind can tell us a lot if we really do pay attention.

God's commands always have our good in mind and God knows we are easily swept away by worry and the challenges of life. Stress in life will always be eased by God's perspective. When we remember that a God who loves us is near we find strength. When our thoughts turn toward the eternal promises of God we find hope.

Every vacation will be lacking unless God is part of your rest. This does not mean the beach should be replaced with the monastery. That grandeur of the ocean and the laughter of children are

easy paths to God for those who pay attention. To worship with other tourists on Sunday can be a reminder that we are part of a large family of God.

Faith in general is not meant to be bracketed off to a certain time and place. To view summer as a time off from church is to place faith in the category of burdens to get away from. In fact, God is always present during vacation and is always inviting us to a deeper rest.

So let vacation be high on your list this summer and discover that God is waiting for you there.

Family Faith Formation and Religious Education

Weekly Greeting from Ms. Laucella

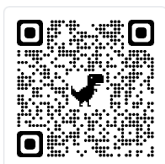

Our first reading tells us today, *“Thus says the LORD: Rejoice heartily, O daughter Zion, shout for joy, O daughter Jerusalem! See, your King shall come to you; a just Savior is He...He shall banish the chariot from Ephraim, and the horse from Jerusalem; the warrior's bow shall be banished, and He shall proclaim peace to the nations.”* As we begin July, we ask for everyone’s prayers during these summer months, as there is much going on behind the scenes in the world of Family Faith Formation.

As always, our Parish Family can always keep up with us here in our Parish Bulletin and on our Instagram Page to see all that we have going on this summer, and our currently active families will still be receiving our monthly Family Newsletters to their email inboxes. During these summer months, all are reminded that if anyone ever have questions for us, we are still available during **limited hours of operation via phone call or email**. Also, with the school building being used by Camps ‘R’ Us this summer, as in previous years, the Office of Family Faith Formation will be **CLOSED** to the general public over the summer.

Flat Jesus is Back!

I am excited to share that our beloved Staff Member is back this summer; **Flat Jesus!** We know that everyone has summer plans, and it is our prayer that God protects our families wherever they go! Whether our families are on a road trip, at the beach, the pool, or having any other family adventures, we will be sharing all of Flat Jesus Adventures here and on our Instagram all summer long! Be sure to keep up with us here to see all of the places where Flat Jesus travels to!

FORMED Recommendations

Summer is a time for adventure! This season, my FORMED recommendation for all of our families is the “**Adventure Catechism**” series from the Brother Francis Collection! New episodes have been going up every week to talk about different areas of our faith, in a way that our students and families can understand! Use the QR code to the left to take you directly to the film; Just scan with your phone in the camera app to start watching, and enjoy!

Respect Life

The Truth About Abortion & Women's Health

Abortion does not save women's lives.

Abortion is the **direct and intentional** killing of a child in the womb.

Abortion is never medically necessary. It does not treat or solve any pregnancy-related complication.

Outlawing abortion will not affect treatment for miscarriage.

Treatment for miscarriage and abortion is not the same thing.

There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child.

In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has *already died*.

While the same surgery is done to perform an abortion, abortions impose this procedure on a **living child** with the **intention** of ending his or her life.

Women can get the lifesaving treatments they need—without abortion.

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that **indirectly** and **unintentionally** lead to the death of an unborn child. **Abortion restrictions will not prevent women from receiving these treatments.**

When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. **Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child.**

When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child.¹

Ectopic pregnancies

result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary.

When done ethically, treatment for an ectopic pregnancy is not abortion. Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.²

If you or someone you know is struggling after involvement in an abortion, the Church offers confidential, compassionate help through Project Rachel Ministry. Visit www.hopeafterabortion.org for more information.

LITURGY CORNER

What is Liturgy?

Liturgy is something that the whole Body of Christ celebrates together. Jesus, the one true High Priest, together with His Body, the Church in heaven and here on earth (all of us!).

While the Holy Mass is what we usually think of when we hear the word "liturgy," any public communal prayer event of the Church is liturgical. This includes the various rites the Church celebrates outside of the Holy Mass, including the Liturgy of the Hours, Baptisms and Wedding ceremonies, to name a few.

We all "do" liturgy together, with one another and with Jesus Christ present in and among us, as one body.

The crowning jewel of Catholic liturgy is the celebration of the Holy Eucharist, where Jesus becomes present to us in the Sacred Host. Body, Blood, Soul and Divinity. What a glorious gift indeed!

Parish Social Ministry

I am sorry but I mis-spoke last week. Saint Vincent De Paul contacted me to say that the only thing that goes in the St. Vincent De Paul bin is clothing. Nothing else.

Please be respectful and not donate to the food pantry things that are unrelated to the pantry or to St. Vincent De Paul other than clothing. This makes things difficult, and we are not in a position to take the items and bring them somewhere else, so they do get discarded. We want your items to go to a place where they will be used.

I do understand that there is no place in the immediate area. However, a google search did bring up a couple of places:

AMVETS 1179 Sunrise Hwy Copaigue 631-699-2412

SAVERS 755 Larkfield Rd Commack 631-462-1268

Thank you for your cooperation. We do appreciate the thought behind wanting to donate these things to us.

As always the parishioners were extremely generous. Please know that it is very appreciated. As always you are welcome to stop by and see the Parish social Ministry and the pantry and see what we do here.

Janet

We are in need of the grocery carts that are used for walkers in the city. We have a number of our people who do not have cars or are unable to drive. Thank you to everyone who has donated these in the past. The people are so very grateful when they are given to them.

WON'T YOU BE MY NEIGHBOR

Our *Reach Out* committee of 5 has been slowly contacting our parishioners to update our records and see what needs they have. We can use more help in making these calls. See below on how to volunteer.

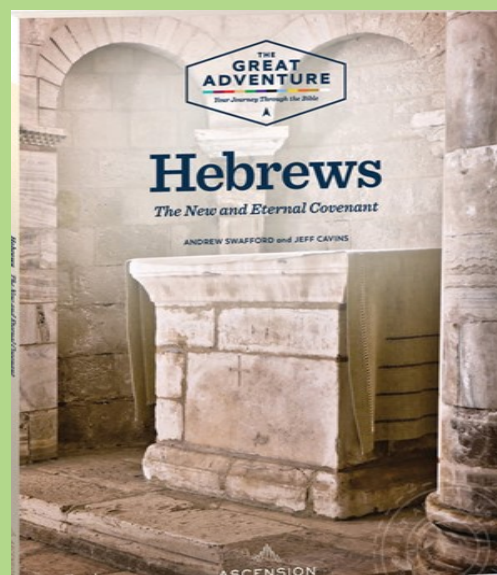

We have had requests for receiving the bulletin at home and also a friendly visit to those who can't get out. Won't you be a *neighbor* and drop off a bulletin to someone in your *neighborhood* on the way home from church.

Can you spare a bit of time to stop in and visit a *neighbor*, it would be so welcome.
