ST JOACHIM AND ANNE, July 26

On July 26, the Feast Day of St. Anne and St. Joachim, we honor the lives of Mary's parents, the earthly grandparents of Jesus. As existing information about Saints Anne and Joachim comes from the Gospel of James and Catholic legend, there is debate over the details of their lives. But regardless, it can be agreed that to be the parents of Jesus's earthly mother, Saint Anne and Saint Joachim must have been faithful, devoted parents indeed. The patronage of Saint Anne includes grandparents, couples without children, women in labor, and women unable to conceive. Likewise, Saint Joachim is considered the patron of grandfathers, fathers, and grandparents.

Anne, in Hebrew, means "God has given grace." According to existing accounts, she was barren for much of her life. One day in her advanced years, she conceived Mary, the mother of Jesus. Saint Anne dedicated the life of her child to the service of God when she was only three – a decision that was undoubtedly formative in the shaping of the future Mother of God.

The Role of Grandparents in Completing the Family Unit

As we reflect on the legacy of Saints Anne and Joachim, let us also reflect on the vital role played by all grandparents in completing the loving family unit and nurturing the faith of future generations. Grandparents can take a vital part in the training of their grandchildren, teaching them to love the ways of the Lord and honor his commandments. It was Saints Anne and Joachim who cultivated in the young Mary a love for God, preparing her for her role in the story of divine redemption. Pope Francis remarked of Saints Anne and Joachim:

In their home, Mary came into the world, accompanied by the extraordinary mystery of the Immaculate Conception. Mary grew up in the home of Joachim and Anne; she was surrounded by their love and faith: in their home she learned to listen to the Lord and to follow his will. Saints Joachim and Anne were part of a long chain of people who had transmitted their faith and love for God, expressed in the warmth and love of family life,

down to Mary, who received the Son of God in her womb and who gave him to the world, to us. How precious is the family as the privileged place for transmitting the faith!

There is also something to be said for grandparents' roles as repositories of wisdom and history. Their experience in faith and life has enriched their judgment, rendering them invaluable counsels for the generations that follow. They remember the heritage of the family and share it with future generations. As Pope Francis has also related:

How important grandparents are for family life, for passing on the human and religious heritage which is so essential for each and every society! How important it is to have intergenerational exchanges and dialogue, especially within the context of the family. The Aparecida Document says, "Children and the elderly build the future of peoples: children because they lead history forward, the elderly because they transmit the experience and wisdom of their lives" (No. 447). This relationship and this dialogue between generations is a treasure to be preserved and strengthened!

"You pray for the hungry. Then you feed them. That's how prayer works." - Pope Francis

**Our Parish Outreach programs provide essential food programs that nourish families,
especially those needed during the summer months.**

Summer is a wonderful time for youngsters who long for fun-in-the sun activities and a break from the school year. Unfortunately for many families, summer can mean months of worry and hunger, as kids lose access to healthy meals given at school. Food insecurity is real on Long Island. According to LI Cares, more than 200,000 families, almost 70,000 children, do not have access to sufficient food, or food of an adequate quality, to meet one's basic needs. As parents juggle the ongoing rising costs at the supermarket, gas pumps, housing, utilities and medical co-pays, they turn to the Parish Outreach to find relief.

"Working in Parish Social Ministry has taken my faith outside of the Church. It's an opportunity for me to dig deeper into faith and think of the humble servant. It's a gift for me to work here – it feeds my soul."

- Katie Spellman, Director of Parish Outreach
St. John the Evangelist, Center Moriches

Parish Social Ministry

We are looking for volunteers that can go to Stanley's Bakery in East Islip on Friday evenings at 5:30 p.m. to pick up donations. Then bring them to Parish Social Ministry on Saturday morning. This would not be every week. Even though we do get donations every week we are trying not to over burden one person.

We are also looking for a volunteer that can go to Island Harvest in Melville on Wednesday mornings at 8:30 a.m. to pick up donations and bring them to Parish Social Ministry (the former convent building)

We must point out once again that any items left in the breezeway or near the church doors that must be refrigerated have to be thrown out. We have no way of knowing how long they have been unrefrigerated and cannot ever take a chance with anyone's health. If you would like to bring refrigerated items you can call me, and I will meet you. Even if it is after hours you can call me. Although I don't live in the parish I will come from Wantagh if I am able. My cell phone number for the parish is 631-275-7116. It is always disheartening to have to throw food out when food is getting harder and harder to get.

We are always in need of the things that are not covered by SNAP benefits. This includes all paper products, hygiene products, dishwashing detergent (we don't need laundry detergent at this time thankfully) shampoo, body wash, and soap. If you use it they probably do also.

We do not need ketchup at this time, we need mayo, sugar, flour, salt, and vegetable oil.

Please keep us in your prayers as you are in ours.

Janet
