## 14th Sunday in Ordinary Time

July 7, 2024

This Gospel immediately follows upon last week's stories of the raising of Jairus's daughter and the healing of the woman with a hemorrhage. It sets the context of our Gospel readings for the next two weeks in which Jesus will extend the work of his ministry to his disciples.

Today's Gospel describes what many believe to have been the typical pattern of Jesus' ministry: teaching in the synagogue followed by acts of healing. In his hometown of Nazareth, the people are amazed by what they hear, but they also cannot comprehend how someone they know so well might move them so powerfully.

In this Gospel, we learn some interesting details about Jesus and his early life. Jesus' kinfolk know him to be a carpenter, an artisan who works in wood, stone, and metal. He probably learned this trade from his father. Family members of Jesus are also named. Mark describes Jesus as the son of Mary, which is an unusual designation. Adult males

were more typically identified with the name of their fathers. It is unclear why Mark deviates from this custom.

Brothers and sisters of Jesus are also named. Scholars are divided on how to interpret this. As Catholics, we believe that Mary was and remained always a virgin, thus we do not believe that this Gospel refers to other children of Mary. Some have suggested that these family members might be Joseph's children from a previous marriage, but there is little evidence to support this. Others explain this reference by noting that the words *brother* and *sister* were often used to refer to other types of relatives, including cousins, nieces, and nephews.

This Gospel tells us that Jesus is hampered from performing miracles in Nazareth because of the people's lack of faith. Jesus is said to be surprised by this. He did not predict or foresee this rejection. In this detail we find a description of the very human side of Jesus.

This passage unfolds a continuing theme

## FROM THE PASTOR

of Mark's Gospel: Who is Jesus? His kinfolk in Nazareth might know the carpenter, the son of Mary, but they do not know Jesus, the Son of God. Mark is foreshadowing Jesus' rejection by his own people, the people of Israel. He is also reflecting on and trying to explain the situation of the community for which he wrote. While many of the first Christians were Jewish, Christianity took hold and flourished in the Gentile community. Mark's community was mostly a Gentile community, who may have been experiencing persecution. By showing that Jesus himself was rejected, Mark consoles and reassures his first readers. He also prepares us to accept this possible consequence of Christian discipleship.

**Our Parish Outreach programs provide essential food programs that nourish families,  
especially those needed during the summer months.**

Summer is a wonderful time for youngsters who long for fun-in-the sun activities and a break from the school year. Unfortunately for many families, summer can mean months of worry and hunger, as kids lose access to healthy meals given at school. Food insecurity is real on Long Island. According to LI Cares, more than 200,000 families, almost 70,000 children, do not have access to sufficient food, or food of an adequate quality, to meet one's basic needs. As parents juggle the ongoing rising costs at the supermarket, gas pumps, housing, utilities and medical co-pays, they turn to the Parish Outreach to find relief.

***"Working in Parish Social Ministry has taken my faith outside of the Church. It's an opportunity for me to dig deeper into faith and think of the humble servant. It's a gift for me to work here – it feeds my soul."***

# Parish Social Ministry

Thank you to everyone that contributes to the pantry week after week, all the prayers we receive and the material things that are contributed to our clients by our benefactors. There are no words that can convey the gratitude felt by us and by the clients for all you do for us at Parish Social Ministry.

Just as a reminder we cannot use anything that should be refrigerated unless it is brought directly to the Parish Social Ministry Center. The bins do not come to us until Monday mornings or Tuesday if Monday is a holiday.

We are always in need of the things that are not covered by SNAP benefits. This includes all paper products, hygiene products (toothpaste tooth brushes deodorant etc.), dishwashing detergent, shampoo, conditioner, body wash, and soap. If you use it they probably do too. We do not understand how people are to go without such things for their daily lives.

We are also in need of condiments especially mayo, mustard, ketchup, sugar, flour and salt. We give these things sparingly as they are not needed every week and that is for everything listed above.

Again please keep us in your prayers as you are in ours.

*Janet*
